The other two briefings I know of were about lower 8.3 miles, so you are correct in your first email.

Hi Sophia,

My time in PAD started April 2017, so I was only looped in on briefings from then. Here are the Passaic briefings I had on my calendar from 2017:

Senator Menendez's Office – 5/17/17
Senator Booker's Office (Frances Zizila, ORC gave briefing) – 5/26/17
Congressman Pascrell's Office – 8/14/17
Congressman Pascrell's Office – 12/19/17

Thanks!!

Can you remind me about any briefings we've had on the Passaic?

Sophia,

In the material that I am preparing for submission to the CSTAG, I am supposed to discuss outreach we've had with elected officials. So far, I say:

“EPA has also conducted a number of briefings with staff from both Congressman Frelinghuysen’s and Congressman Pascrell’s offices.”

Could you confirm that memory is correct on those discussions with their staff and let me know if there are any other officials that we've had discussions with specific to 17-mile.

Thanks in advance,
Jen
